

# Diabetes Support Group

**April 16, 4 to 5 p.m.  
4th Floor Conference Room  
Boone County Hospital**

## Fit for a Diabetic

The program will be presented by Jim Carlson, Rph, Medicap. Learn about the history of the diabetic shoe program, how diabetic shoes differ from shoes you buy at the store, and who needs to buy these special shoes. In addition, learn about shoe fit, inserts, the prescription required and what you can expect from the Medicare qualified shoe program.
